

Personalized Patient Support

The Ascendis Signature Access Program® (A·S·A·P) offers one-on-one support throughout the treatment journey.* A·S·A·P offers help with starting prescribed therapy, insurance issues, and help staying on track.

With enrollment into A·S·A·P, you will have access to a dedicated Patient Access Liaison (PAL) to help provide you with individualized support and education.

Always speak with your healthcare provider if you have any questions or concerns about prescribed therapy.

Your A·S·A·P Support Journey

Should you decide that treatment is the right option and your healthcare provider has prescribed medication, A·S·A·P is there every step of the way during the treatment journey.

How to Get Started

A·S·A·P support begins with your healthcare provider completing and submitting a prescription and Enrollment Form that includes your consent to participate in the program.

Scan the QR code or visit [Yuviwel.com/resources](https://yuviwel.com/resources) to access the Consent Form.

Glossary

Prior authorization: a review that insurance requires before certain medications or procedures will be covered.

Appeal: if your insurance denies coverage for a drug or service, your healthcare provider will send additional information so your insurance company can review the request again.

Your Dedicated Patient Access Liaison (PAL)

Once A·S·A·P receives the Enrollment and Consent Forms, you will be assigned a dedicated PAL, who will contact you by phone to introduce themselves and learn more about your individual needs. Your PAL will provide:

A direct phone number to reach them

Educational information about YUUVIWE

Information about the prior authorization process and financial assistance options*

Help to avoid a gap in treatment

Injection training support

Helping You Find Financial Assistance

If you are commercially insured:

- You may qualify for assistance to pay for the prescribed therapy through the Co-Pay Program*

You are NOT eligible if you:

- Participate in any federal or state healthcare program with prescription drug coverage, such as Medicaid, Medicare, Medigap, VA, DOD, or TRICARE
- Pay cash out of pocket for the prescribed therapy (the offer may not be redeemed for cash)

If you do not have insurance or are underinsured:

- You may qualify for treatment at no cost through the Ascendis Patient Assistance Program (PAP)

Scan the QR code with your phone or tablet to view the full eligibility requirements.

Call A-S-A-P at 1-844-442-7236 and select option 3 to confirm eligibility.

DOD = Department of Defense; VA = Veterans Affairs.
